*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take four (4) tablets daily, on an empty stomach at bedtime, or one hour before exercise.

This dynamic product is made up of three of the most popular amino acids for exercise supplementation. L-Arginine and L-Ornithine are important building blocks of protein.* L-Lysine is an essential amino acid used for the production of collagen.* Together, these ingredients give you an excellent amino acid foundation that's perfect for anyone seeking added nutrition.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
