NATURE'S ANSWER® alcohol-free extracts are produced using alcohol, water and natural extractants. All alcohol and extractants are then removed through our cold Bio-Chelated® proprietary extraction process, yielding a Holistically Balanced™ standardized extract. Liquid extracts are absorbed faster than tablets or capsules, and are more potent than tinctures. Holistically Balanced™ guarantees that the constituents of the extract are in the same synergistic ratios as in the plant. Manufactured in our FDA registered and pharmaceutically licensed facility; Unconditionally guaranteed.
