*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

among middle aged women.

SUGGESTED USAGE: As a dietary supplement, take 2 capsules daily, preferably in divided doses (1 in the morning, 1 in the evening).

Black Cohosh is a plant that has been historically used by Native American women. Current scientific research shows that Black Cohosh Root may help support a healthy response to the natural changes occurring during menopause.* NOW® Black Cohosh Root also includes Licorice Root and Dong Quai, which have enjoyed widespread popularity in Asia for centuries, especially

Black Cohosh Root
