Cranberry has become an essential component in the promotion of sound urinary tract health. NOW® Standardized Cranberry has naturally occurring compounds called proanthocyanidins (OPCs). These OPCs help wash away undesirable particles that try to adhere to the wall of the urinary tract. NOW® Standardized Cranberry makes it simple to support healthy urinary tract function. Each serving delivers 1000 mg of Cranberry, standardized to a minimum 6% Quinic Acid and 3% OPCs. For added support, we've also included 300 mg of Uva-Ursi Extract and 45 mg of Grape Seed Extract.\*

**SUGGESTED USAGE:** As a dietary supplement, take 3 capsules daily. Consider taking these other NOW® products: D-Mannose and Grb-Dophilus™.
