

PROTOCOL
FOR LIFE BALANCE™

Red Yeast Rice Extract

600 mg

Made with Certified Organic
Red Yeast Rice

90 Vcaps®

A Dietary Supplement Vegetarian Formula

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® 1 to 2 times daily, preferably with food. Recommended to be taken in combination with CoQ10 and Milk Thistle Extract.

HOW IT WORKS: Red Yeast Rice is a unique natural product that's been used in Asian traditional medical systems since approximately 800 A.D. Produced by fermenting red yeast (*Monascus purpureus*) with white rice, Red Yeast Rice is commonly used in cooking to enhance the color and flavor of foods. Protocol For Life Balance™ Red Yeast Rice Extract is carefully produced to avoid the presence of citrinin, a sometimes toxic by-product of the fermentation process.

WARNING: Do not use if you are pregnant, may become pregnant, or are breast feeding, because using this product may harm the fetus. Individuals with liver disease or those currently taking statins or other medications should consult with a health practitioner prior to use.
