

SOURCE NATURALS®

DIETARY SUPPLEMENT

HIGH POTENCY

B-1

500 MG • 100 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	%DV
Thiamin (vitamin B-1)	500 mg	33,333%
Magnesium (as magnesium citrate, malate, oxide & succinic acid complex)	100 mg	25%

Other ingredients: stearic acid, modified cellulose gum, acacia gum, hydroxypropyl cellulose, magnesium stearate, and silica.

B-1 is intimately involved in many aspects of nerve health and function. Once in the body, B-1 is activated to a co-enzyme form necessary for energy production and the formation of acetylcholine, a major neurotransmitter. Magnesium plays a role in neuromuscular transmission and activity, and supports muscle relaxation. Excessive alcohol intake may increase the need for B-1, and B-1 may be missing from some diets of highly processed "junk food".*

Suggested Use: 1 tablet daily.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.
