

**USAGE:** Take 1 softgel once or twice per day with a meal or as directed by your qualified healthcare professional.

**NOTE:** If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

QH-absorb<sup>®</sup> + PQQ<sup>™</sup> combines the reduced, active, antioxidant form of Co-Q10—which is significantly better absorbed than ubiquinone—with PQQ, which promotes the production of new mitochondria.\* This combination supports both heart health and cognitive function.\*

Keep out of the reach of children.

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
