

USAGE: Take 1 capsule per day with meals or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Quercetin is a phenolic antioxidant found in onions, green leafy vegetables and fruits such as apples and cherries. Quercetin supports cardiovascular health via its role in the inhibition of LDL oxidation.* Quercetin is one half of the rutin molecule, another phenolic antioxidant, but it is the more biologically-active antioxidant.*

Keep out of the reach of children.
