

USAGE: Take 1 capsule per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition (especially anxiety or manic/bipolar disorders), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Rhodiola is an adaptogenic herb that has been used for centuries and validated for its beneficial effects on energy production and reduction of fatigue associated with intense activities.* Though there are greater than 20 species of rhodiola, only authentic *Rhodiola rosea* contains the three active rosavin compounds: rosavin, rosin, and rosarin.

Jarrow Formulas® Rhodiola extract is standardized to contain a minimum of 5% [25 mg] rosavins, the highest potency available.

Keep out of the reach of children.
