

**USAGE:** Take 1 softgel per day with a meal or as directed by your qualified healthcare professional.

**NOTE:** If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

**Pantethine** is a derivative of vitamin B<sub>5</sub>. Pantethine supports lipid metabolism by its ability to raise levels of Coenzyme A (CoA), a cofactor involved in several metabolic pathways including carbohydrate and lipid metabolism.\* CoA combines with acetyl groups to form Acetyl CoA, a key participant in energy production via its role in the Krebs (citric acid) cycle within the mitochondria.\*

Pantesin<sup>®</sup> is a trademark of Daiichi Pharmaceutical Co., Ltd. and is licensed to Daiichi fine chemicals.

**Keep out of the reach of children.**
