

CLINICALLY PROVEN RESULTS

BioSil has been clinically proven in double-blind, placebo-controlled trials. Results are published in prestigious, peer-reviewed medical journals, all with a high citation index.

- REDUCES FINE LINES & WRINKLES[†]
- INCREASES SKIN ELASTICITY[†]
- THICKENS & STRENGTHENS HAIR[†]
- STRENGTHENS NAILS[†]
- PROMOTES HEALTHY BONES & JOINTS[†]
- INCREASES COLLAGEN FORMATION[†]
- HELPS PROTECT EXISTING COLLAGEN[†]

ADVANCED COLLAGEN GENERATOR^{®†}

After age 21, collagen levels decline by 1.0-1.5% every year. BioSil is clinically proven to increase collagen formation[†]. Best of all, BioSil works through your body's natural collagen-generating pathways. That's why all the collagen you gain with BioSil has your own DNA fingerprint.

You have our assurance that it is never promoted through foreign animal sources.

ETHICALLY PRODUCED

BioSil is created by leading collagen researchers and maintains the highest ethical standards, from formulation to manufacturing.

- No artificial colors or flavors
- Non-GMO
- Sustainably sourced
- Manufactured in solar powered facility
- MWU (minimal water use) compliant
- No animal parts or sea organisms

INCREASE YOUR 3 BEAUTY PROTEINS[†]

The condition of your hair, skin, and nails depends on three proteins, known as your "3 Beauty Proteins." BioSil increases all three.

COLLAGEN: reduces fine lines and wrinkles.[†]

ELASTIN: tightens skin and gives it "bounce back".[†]

KERATIN: Increases hair thickness and strength, increases nail strength.[†]
