

A DIETARY SUPPLEMENT

NON-YEAST GTF is a scientifically designed dietary supplement containing a highly bio-available form of trivalent chromium in solution with all other identified constituents of glucose tolerance factor. For best results, NON-YEAST GTF should be taken on an empty stomach.

The dosage of chromium reflect the elemental yield. This product contains no preservatives to ensure maximal tolerance and absorption. NON-YEAST GTF is well tolerated by exquisitely sensitive individuals for whom other sources of chromium are normally contraindicated. The nutrients are bound and do not occur in the free form.

This product has not been evaluated by the FDA.
This product is not intended to diagnose, cure, treat
or prevent any disease.
