0112NDN

This formula includes the next generation of essential B-Vitamins and supports increased energy production, nervous system support, and sugar metabolism.**

NADH

Country Life is unique to include NADH, which is its own true coenzyme.

BioPQQ® Made in Japan

Proposed as the next essential B-Vitamin, PQQ has been shown to help increase mitochondria and energy production**

NEXT LEVEL B1

Benfotiamine is known as the next level Vitamin B-1 that quickly converts in the body due to its fat solubility.**

Quatrefolic®

Our Methylfolate is a patented form called Quatrefolic®, a new and improved fourth generation of folate that is seen in many of our Coenzyme B-complex formulas.
