

0 90700 00060 8

We prepare our Ginger Extract from the rhizome of *Zingiber officinale* plants which are Certified Organically Grown without the use of chemical fertilizers, pesticides or herbicides. To assure optimal extraction of Ginger's bioactive compounds, the rhizomes are hand-harvested only when fully mature, are carefully shade-dried, and are thoroughly extracted.

LIQUID HERBAL EXTRACT

GINGER

Zingiber officinale
Mature Rhizome

HERBAL SUPPLEMENT
