Stress, travel, aging and bad diets can disrupt your body's digestive system balance. Probiotics are the "friendly" bacteria that are helpful for several vital body functions including healthy digestion and immune health.¹

One capsule per day of Digestive Care Probiotic provides some of the good bacteria beneficial for numerous vital body functions including healthy digestion.¹

Probiotics naturally promote a healthy microflora and support immune health.¹

Our formula contains 4 of the most active, safe and effective probiotic strains:

- *Bifidobacterium infantis*
- *Lactobacillus acidophilus*
- *Bifidobacterium bifidum*
- *Bifidobacterium lactis*

This blend of healthy bacteria may help restore digestive balance while providing a natural defense against occasional digestive upsets.¹
