OSTEOPRIME® FORTÉ*

*Supports and maintains healthy bones
and bone structure**

Formulated by
Jonathan Wright, M.D. & Alan Gaby, M.D.

120 ULTRACAPS™

Dietary Supplement

Amount per 4 capsules	%DV***
Silicon (from sodium metasilicate)	1 mg **

***Percent Daily Values (DV) are based on a 2,000 calorie diet.
**Daily Value not established.

Other ingredients: vegetable capsule (modified cellulose), modified cellulose gum, silicon dioxide, and magnesium stearate.

WARNING: If you are taking Coumadin*† (warfarin) or other prescription drugs, or if pregnant or nursing, consult your healthcare practitioner before using this product.

Healthy bones need a variety of nutrients to preserve adequate mineral mass, maintain strong supporting structures, and promote repair functions.

Formulated with chelated calcium and magnesium for optimal absorption. Vitamin D is included for the body to utilize calcium and phosphorus and for properly building strong bones and teeth.* Vitamin K is important for production of osteocalcin.* Manganese is needed for bone mineralization and connective tissue synthesis.* Studies also show zinc, strontium, vitamin B6, vitamin C, silicon, copper, and boron also help form the connective structures in bone.*

*Trademark of its respective company.

†Chelated as citrate, fumarate, malate, succinate, and alpha ketoglutarate.

Recommendations: Take 4 capsules daily, during or after meals or as recommended by your healthcare practitioner.

Contains no sugar, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
