SUGGESTED USE

LIQUID HERBAL EXTRACT

YELLOW DOCK

Rumex crispus
Whole Root

HERBAL DIETARY SUPPLEMENT
4 Fluid Ounces (118.4 ml)

We prepare our Yellow Dock extract from the roots of *Rumex crispus* plants which are **Certified Organically Grown** without the use of chemical fertilizers, pesticides or herbicides, or are **Custom Wildcrafted™** in their natural wild habitat.

To assure optimal extraction of Yellow Dock's bioactive compounds, the roots are hand-harvested only after the plants have fully seeded in late summer or early autumn, and are then carefully shade-dried and thoroughly extracted.

Our Yellow Dock is never fumigated or irradiated.

Dry herb / menstruum ratio: 1 : 5

Contains certified organic grain alcohol (38-48%), distilled water, vegetable glycerine & Yellow Dock extractives
