NORDIC  NATURALS®

Vegan Prenatal DHA offers a sustainable, vegan source of DHA for mothers before, during, and after pregnancy in small, easy-to-swallow veggie soft gels. Our algae oil is derived from *Schizochytrium sp.*, a unique unicellular marine microalgae that produces DHA.

Every batch of Nordic Naturals algae oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All algae oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

**SUGGESTED USE:** Two soft gels daily, with food, or as directed by your health care professional or pharmacist.

Store in a cool, dry place, away from sunlight. Do not take if tamper-evident seal is broken or missing. Keep out of the reach of children. **Nordic Naturals products are never sold under any store brand.**

**Warning:** Consult with your physician before using this product if you take medications, or have a known medical condition.
