What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Patented BioPerine® - Our special BioPerine Complex enhances the bio-availability, absorption and potency of many nutrients.*

150 LIQUID SOFT-GELS
DIETARY SUPPLEMENT

Full Disclosure Ingredient Panel

DIRECTIONS: (Adult) For daily maintenance, take one (1) to four (4) Liquid Soft-Gels per day divided into two or more doses, e.g., one (1) or two (2) in the morning and one (1) or two (2) in the afternoon with a full glass (8oz) of water. Do not exceed four (4) Liquid Soft-Gels per day. For a more immediate response, take one hour prior to intimacy. While the daily serving size is up to four (4) Liquid Soft-Gels, it is strongly recommended that you explore whether or not you can achieve results at a lower daily dose. You may benefit from a smaller dose because everyone has different sensitivities to these ingredients. For a daily dose, start with one Liquid Soft-Gel and build up to a maximum of four (4) only if needed. Do not exceed 90 days of continual use of this product without a two (2) week break.
