

USAGE: Dissolve in mouth or chew 1 tablet per day or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

Methyl B-12 (methylcobalamin) supports brain and nerve health and function, energy production, and sleep-wake cycles.* Methyl B-12 is better absorbed and retained than cyanocobalamin, and supplementation may be needed by seniors, persons on stomach acid reducing regimens, and some vegetarians/vegans.*

Keep out of the reach of children.
Store in a cool, dry place.
