Ginkgo Leaf Extract	40 mg	†
(24% flavone glycosides & 6% terpene lactones)		
†Daily Value not established.		

Other ingredients: microcrystalline cellulose, dibasic calcium phosphate, stearic acid, and magnesium stearate.

Ginkgo biloba is the oldest living species of tree on Earth, having existed virtually unchanged for over 200,000,000 years. The ginkgo leaf is a rich source of flavone glycosides, bioflavonoids which deliver potent antioxidant protection. The nutrients in ginkgo extract have also been shown through extensive research to support blood vessel integrity, which is particularly important for the fine capillaries in the brain. Source Naturals GINKGO-24™ provides a purified 24% extract of ginkgo flavone glycosides from concentrated premium quality ginkgo leaves.*

Suggested Use: 1 tablet three times daily with meals.

CAUTION: If you are pregnant, may become pregnant, or breastfeeding, taking blood-thinning medications or regularly taking aspirin, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
