Suggested Use: 1 to 3 tablets daily with meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Source Naturals **MALIC ACID** is a combination of malic acid and magnesium. It supports proper muscle function, cardiovascular health, and energy production. Malic acid is a natural fruit acid that is present in most cells in the body and is an intermediate in the Krebs cycle, where energy is captured during the metabolism of carbs and fats. Magnesium plays an important role in muscle relaxation and is an essential cofactor for over 300 enzymatic reactions in metabolism, ATP synthesis, and energy production.*

STORE IN A COOL, DRY PLACE

Do not use if either tamper-evident seal is broken or missing.
Keep out of the reach of children.
