

Pharmanex® Eye Formula provides a complementary blend of nutrients to protect your eye health today and for years to come. This innovative formula combines lutein and zeaxanthin with alpha-lipoic acid—a powerful antioxidant. Pharmanex Eye Formula's cutting-edge ingredients, may help reduce glare sensitivity from indoor lighting and computers, supports normal macular function, and maintains healthy antioxidant levels in the lens for total eye health protection.

Directions For Use: Take one (1) capsule twice daily with a meal. Store in a cool dry place.

Warning: Keep out of reach of children. If you are pregnant or lactating, or taking prescription medication, consult a physician before taking this product. Discontinue 2 weeks prior to surgery. Discontinue use and consult a physician if any adverse reactions occur.
