detoxification processes.*

Candida Clear™ is a combination of herbal ingredients (Pau D'Arco, Black Walnut and Oregano Oil), Biotin (a B-complex vitamin) and Caprylic Acid (a naturally occurring fatty acid derived from plant oils). These synergistic ingredients help to support a healthy balance of intestinal bacteria. The beneficial bacteria that normally populate the gut assist in the digestion of food, produce certain vitamins and promote detoxification processes.*

SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® twice daily, preferably with meals. Consider taking this product in combination with NOW® Oregano Oil Softgels, Virgin Coconut Oil and Probiotic Defense™.
