

Also called Peruvian Ginseng, Maca is a root that grows in Peru. Organic Maca may help improve sexual health, boost libido and strengthen endurance in both men and women.* It may support women's health by helping to balance hormonal levels and relieving symptoms of menopause like hot flashes, cramps, mood swings etc.* Maca is rich in vitamins and minerals.* Vitamin C in maca supports immune health and aids your body in fighting diseases.* Iron in maca supports heart health and aids in the growth of red blood cells.*

SUGGESTED USE: As a dietary supplement, adults take one (1) organic tablet 1 to 2 times daily, preferably with a meal or as directed by a health care professional.

CAUTION: Do not exceed recommended dose. Pregnant or nursing women, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.
