

USAGE: Dissolve in mouth or chew 1 lozenge per day or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Methylcobalamin (Methyl B-12) is **better absorbed** and **retained** than other forms of B₁₂ (e.g., cyanocobalamin).^{*} Methyl B-12 **supports nerve tissue** and **brain cells**, promotes better sleep and reduces toxic homocysteine to the essential amino acid methionine.^{*} Also, vegetarians/vegans typically require B₁₂ supplementation.^{*}

Keep out of the reach of children.

^{*} These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
