Pittsburgh, PA 15241, USA | 1-888-228-6650

**Directions:** As a dietary supplement for adults, take one (1) vegetarian capsule daily, preferably with a meal, or as directed by a physician.

Pycnogenol® is a natural extract originating from the bark of the maritime pine tree that grows along the coast of southwestern France. Pycnogenol® contains a unique combination of procyanidins, bioflavonoids and phenolic acids, which offer an extensive range of support for the body. Pycnogenol® may help to support joint health, skin health, circulatory health and eye health.\*

Over the past 40 years, Pycnogenol® has been the subject of over 135 clinical studies and 300 scientific papers, making it one of the most clinically studied ingredients in the world.

Pycnogenol® is a registered trademark of Horphag Research Ltd. Use of this product may be protected by one or more U.S. and/or foreign patents.
