

HEALTHY BLOOD SUGAR SUPPORT

A DIETARY SUPPLEMENT

60 Capsules

Exclusively manufactured for:

LONGEVITY  MEDICAL CLINIC™

Longevity's Healthy Blood Sugar Support provides powerful support to help maintain healthy blood sugar levels when used as part of your diet. It contains two extracts of Gymnema, one standardized to a high percentage (75%) of gymnemic acids for potent metabolic support, and the other to provide additional important active constituents. Gymnema has been used traditionally in India for centuries and has been shown in research to support healthy glucose metabolism by mediation of insulin release and activity, and enhancement of healthy pancreatic function.*
