- Helps with mild, occasional gas and bloating due to everyday foods
- Promotes digestive comfort

Science-Backed Quality Since 1969

SUGGESTED USE: As a dietary supplement, take one veggie capsule 10–15 minutes prior to a meal containing gas-producing foods, such as cruciferous vegetables, beans and legumes. Take up to three veggie capsules prior to a meal, if needed.

WARNING: For adults only. Consult your healthcare provider before using this or any product if you are pregnant or nursing, taking medication or have a medical condition.

Keep out of reach of children. Do not use if seal is broken. Store in a cool, dry place.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
