

**Suggested Usage:** Take 1 capsule twice daily with food as needed. Not intended for long-term use. Consult a health care professional for use beyond 14 days.

Black walnut hulls come from the immature fruit of the black walnut tree (*Juglans nigra*). References to the use of black walnut hulls date back to the ancient Greeks and Romans, and they have been used by many cultures throughout history as an herbal tonic. The black walnut tree is indigenous to the Middle East, but is currently grown in the U.S., Canada and Europe as well.

**Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.**

Natural color variation may occur in this product.

Store in a cool, dry place after opening.

This bottle is made from 100% PCR (post-consumer recycled) resin.
