

## Daiwa Brain Health

Hokkaido Scallop Oil Plasmalogen (HSOP™), the active ingredient in Daiwa Brain Health, is shown in scientific research to support brain health by enhancing memory, concentration, learning ability, and cognitive function.\* Plasmalogen lipids, known as "vinyl ether bonds," are present in high concentrations in tissues of the brain and muscles of the human body. HSOP™ can increase the plasmalogen in the red blood cells and plasma.\*

### Benefits:

- Enhanced concentration\*
- Improved memory\*
- Enriched cognitive function\*
- Long term safety\*

Warning: Do not use if tamper-resistant safety seals outside the bottle and under the cap are broken or missing. Keep out of the reach of children.

Caution: Consult your healthcare professional before use if you are pregnant, lactating or taking prescription medication.
