

Suggested Usage: Take 1-2 capsules 2 to 3 times daily between meals as needed.

REFRIGERATE TO MAINTAIN POTENCY.

Saccharomyces boulardii is a probiotic yeast that survives stomach acid and colonizes the intestinal tract.* It promotes the health of the intestinal tract, helps to encourage a healthy gut flora balance, and supports a balanced intestinal response to normal internal and environmental stressors.* *Saccharomyces boulardii* has also been shown to support proper gastrointestinal function during temporary disruptions to the normal balance of gut flora.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Consult physician if pregnant/nursing, taking medication (especially immune-suppressing drugs), or have a medical condition (especially if immune system is compromised). Keep out of reach of children.

This bottle is made from 100% PCR (post-consumer recycled) resin.
