

Suggested Usage: Take 1/4 level teaspoon 2 to 3 times daily as needed, mixed in juice or water, preferably on an empty stomach. Do not exceed recommended dosage.

GABA (Gamma-Aminobutyric Acid) is a non-protein amino acid that functions as a neurotransmitter in the human brain.* GABA is naturally produced in the body and its presence within the central nervous system may help promote relaxation and ease nervous tension.*

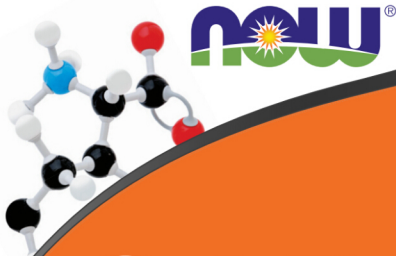

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Do not exceed recommended dosage or combine with alcohol consumption. Consult physician if pregnant/nursing, taking medication (especially anti-seizure and psychoactive drugs), or have a medical condition (especially kidney conditions, past or present seizure disorders and bipolar disorders). Keep out of reach of children.

Do not eat freshness packet enclosed.
