

Bee Pollen may be one of nature's most complete foods. It is a prime source of protein, amino acids, vitamins, minerals and enzymes.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing. Keep tightly closed.

Store at room temperature: 59°-86°F (15°-30°C).

KEEP OUT OF REACH OF CHILDREN.
Suitable for vegetarians/vegans.

CAUTION: When taking bee pollen for the first time, some people can have an allergic reaction. To test for allergy, place a few granules under the tongue. If there is no reaction, gradually increase intake until you are taking the suggested amount. If you are pregnant or nursing, consult your physician before taking this product.
