

LJ100 is a patented and clinically studied form of Tongkat Ali that is standardized to 22% bioactive Eurypeptides and 40% Glyco Saponins. Studies suggest Tongkat may help support healthy testosterone levels and promote a positive mood.

Suggested Use: As a dietary supplement take, take 1 serving per day. It can be taken with or without food.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
