

Bluebonnet's Liposomal Vitamin C Vegetable Capsules are formulated with Liposomal PureWay-C™, a proprietary, patented and clinically tested form of vitamin C that fuses ascorbic acid and citrus bioflavonoids to lipid metabolites such as fatty acids, esters, and fatty alcohols for better delivery, absorption and uptake. Vitamin C helps to protect cells against oxidative damage from free radicals, and may help to support immune health, joint comfort and collagen synthesis. ♦

MAY SUPPORT

-  Immune Health
-  Joint Comfort
-  Collagen Synthesis
