Virugomax™ formula was developed over a course of 5 years (1971-1975) by a team of experts. It has an impeccable track record for its efficacy with over a billion doses consumed in China. It is a broad spectrum immune supporting and cooling formula. It preserves and rejuvenates the Yin while opening up the orifices of the Lungs and the Stomach. Virugomax™ is safe with no known side effects. Extracted using FITT Fingerprint Identical Transfer Technology™. FITT™ cool extraction preserves the critically important heat-sensitive aromatic constituents in the "surface-relieving" herbs of this formula.\*
