

As we get older, it is essential to take care of our eyes. Like other parts of your body, your eyes need proper nutrition to perform at their best.

Our FOCUSfactor® Vision Formula promotes healthy vision and supports eye function with specific nutrients like lutein and zeaxanthin (in clinically tested Lutemax® 2020). Additionally, the formula features key antioxidant vitamins C and E for overall eye health.\*

For over 20 years, millions of people have trusted FOCUSfactor® for their brain health products. FOCUSfactor® has expanded the brand featuring a complete range of eye care products.
