

ProEnzol® Gluten DigestEnz™ contains ProteaseGL™, a clinically-proven blend of acid-resistant, non-animal derived enzymes uniquely formulated to provide substantial DPP-IV activity targeted at breaking down hard-to-digest gluten peptides in food, helping to relieve occasional gastrointestinal discomfort.\*

**DIRECTIONS:** Take one to two (1-2) capsules at the beginning of any meal or snack containing gluten, or as directed by your healthcare professional.

**CAUTION:** If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
