

ProEnzol® pHydroProtease® provides a unique, clinically-proven blend of powerful non-animal derived proteolytic enzymes which research has shown to deliver up to 52 times more activity in the blood and tissues than other protease blends commonly used to help manage inflammation, modulate the immune system and maintain optimal systemic health.*

DIRECTIONS: Take one (1) capsule twice daily between meals or on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
