80 GRAMS[†] | MUSCLE BUILDING PROTEIN

2000 CALORIES[†] | FUEL YOUR GAINS

5:1 CARB:PRO | PERFECT RECOVERY RATIO

SUGGESTED USE: Take ALLMAX[®] ALLMASS[™] immediately following your workout. On days that you do not workout, take upon waking.

After you train, your body will be in a catabolic state. ALLMASS[™] helps to stop this muscle breakdown putting your body into an anabolic state (increasing muscle synthesis) when you would normally break down muscle.*

DIRECTIONS: Blend, mix or shake 1 to 5 scoops with 1/2 to 2 cups (125-500 ml) with either water or skim milk depending on your preference. Take a few hours before or after taking other medications or supplements. Ensure to drink enough fluid before, during, and after exercise.

# of Scoops	Water or Skim Milk
Rapid Mass Gain 5 Scoops	2 cups (500 ml)
Mass Gain 1 Scoop	1/2 cup (125 ml)
