

Suggested Use: Take one capsule twice daily, or as directed by your healthcare practitioner. Consult your healthcare practitioner prior to use.

Mood Plus™, designed by leading medical experts, combines a unique blend of nutrients and essential cofactors to further enhance synthesis of chemical messengers that support calmness, a healthy mood, and a relaxed, focused state.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Individuals taking medication (especially those for depression, migraines or psychiatric disorders) should discuss potential interactions with their healthcare practitioners. Not for use by children unless recommended by your healthcare professional. Do not use with other dietary supplements containing L-tryptophan, St. John's wort or Hawaiian baby woodrose. Do not take if you are, or suspect you are, pregnant or if you are lactating.

Storage: Keep tightly closed in a cool, dry place out of reach of children.
