Kids Digest™ provides digestive enzymes that help the body break down the components of a meal, like fats, fibers, protein and carbohydrates.* Enzymes are crucial for nutrient absorption, and can also reduce occasional gas, bloating and indigestion from eating problem foods.*

Recommended Usage: For children 4 years of age and older chew 1 tablet with food up to 3 times daily. Under adult supervision product should be fully chewed.

Thera-blend™ is an exclusive process that combines multiple strains of enzymes that work in specific pH levels, resulting in superior performance in the body.
