

Stevia Extract Powder

Pure Reb-A 98%, Organic and Kosher

Zero Calorie, Zero Carb, Zero Glycemic Sugar Substitute

Omica harvests the highest grade Certified Organic stevia leaves, then processes using no harsh solvents. At Reb-A levels of 98% and over 99.99% Stevioglycosides, Omica's Stevia Powder is deliciously sweet with no aftertaste, 100% pure with no additives, fillers or chemical residues.

Omica's gentle TruExtract™ processing method uses no enzymes, methane, hexane, or ethyl acetate, allowing Omica Stevia to meet the high standards of both USDA Certified Organic and Certified Kosher.

High Rebaudioside-A (Reb-A) is the measure of potency and clean taste Stevia. Though most labels show the Stevioglycosides, always look for a high Reb-A percentage because that is the true indication of a premium quality.
