

WAKUNAGA

Formula 104 combines plant-based soy lecithin and Aged Garlic Extract™ to promote balanced and healthy cholesterol levels, already within normal ranges, and overall cardiovascular health.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
