

**With high-potency nattokinase
and serrapeptase, plus the
phytochemical rutin.***

ENZYME SCIENCE®
PRACTITIONER DIVISION OF ENZYMEDICA

MyoMend® is an advanced blend of proteolytic enzymes to support physical recovery, including healthy joint and muscle function.* Each targeted-delivery capsule helps break down damaged proteins to speed recovery and promote flexibility and mobility.*

Recommended Dose: 2 capsules 3 times per day on an empty stomach (1/2 hour before or 2 hours after a meal). More may be taken as recommended by your healthcare practitioner. Consult a physician before use if you are pregnant or nursing, taking medications or have a medical condition.

Do not use if safety seal is broken or missing.
Keep closed in dry place; avoid excessive heat.
Keep out of reach of children. Rev # 0224
