

Suggested Usage: Take 1 capsule 1 to 2 times daily, preferably on an empty stomach.

KEEP REFRIGERATED TO MAINTAIN POTENCY.

NOW® Intestinal Bacteria Support is a clinically tested combination of probiotic strains that demonstrate adhesion and colonization in the gut, as well as an ability to support normal intestinal function and comfort.* Studies have shown that this probiotic combination could help to relieve occasional bowel discomfort and promote overall gut well-being.* These strains have also been shown to support intestinal regularity and may also help to alleviate emotional stress associated with typical intestinal discomfort.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Consult physician if pregnant/nursing, taking medication (especially immune-suppressing drugs), or have a medical condition (especially if immune system is compromised). Keep out of reach of children.
