

Suggested Usage: Take 1 capsule 2 to 3 times daily.

Common everyday life stress has been found to be a major contributing factor in overeating. Relora® is a clinically validated blend of plant extracts from *Magnolia officinalis* and *Phellodendron amurense* that has been shown to support the body's response to minor, temporary stress, which can result in nervous tension, irritability, fatigue, sadness, and nervous eating.* The relaxing effect of Relora® has been shown to help control appetite and stress-related eating, thereby helping you to manage your weight.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Do not take if pregnant or nursing. Do not take if currently taking any medication or receiving medical treatment without consulting your physician. Keep out of reach of children.

Natural color variation may occur in this product.

This bottle is made from 100% PCR (post-consumer recycled) resin.
