30 Acid-Resistant Vegetarian Capsules

Dietary Supplement

EXCLUSIVE PROFESSIONAL FORMULAS

ProbioMax[®] Complete DF

DIRECTIONS: Take one capsule with water daily, or as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional.

ProbioMax[®] Complete DF is a vegetarian, gluten- and dairy-free blend of diverse, well-researched, identity-certified HOWARU[®] probiotic strains totaling 45 billion CFUs per dose. Delivered in gastro-resistant capsules, this formula is targeted to support a healthy microbiome. Each strain is well-researched and identity-verified and has been genetically characterized and properly classified for safety and assurance. Nitrogen-purged blister packaging further assures the viability of these strains, which were not only selected for their health benefits and complementary actions but also for their viability and stability.*
