

**DIRECTIONS:** Take 2 capsules twice daily with cold water, or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional, and individuals with egg allergies should not consume this product. Do not use if tamper seal is damaged.

**ProbioMax® IG 26** combines patented ingredients IgY Max® and LactoSpore®. LactoSpore is *Bacillus coagulans* MTCC5856, a stable L(+) lactic acid-producing, spore-forming probiotic with roles in promoting microbiome balance and maintaining blood lipid levels already within a healthy range. IgY Max is an immunized egg powder, providing polyvalent IgY immunoglobulins to fortify intestinal barrier protection, promote gastrointestinal and immune system health, and support microbiome, mycobiome, and cytokine balance.\*
